Heartland is an official test centre for the CAEL, TOEIC and IELTS English proficiency tests. Both locations offer expert IELTS test Preparation courses. The CAEL test is offered 6 times per year and the IELTS test is offered two times a month. Visit our web site for available test dates.

The Test of English for International Communication (TOEIC) measures listening and reading ability and takes two hours to complete. For more than 30 years, the TOEIC test has set the standard for assessing English-language skills used in the workplace. Heartland is the public test centre in Winnipeg and Mississauga for TOEIC and we offer the test once a month.

The Canadian Academic English Language Assessment (CAEL) is a standardized test of English for use in academic purposes. The CAEL Assessment tests ability to use English as it is used in Canadian universities and colleges. The CAEL Assessment offers a unique alternative to other standardized tests of English because it is a topic-based performance test. It comprises an integrated set of language activities. Test takers read articles, listen to a lecture, answer questions and write a short essay – all on one subject.

IELTS™ The International English Language Testing System (IELTS) is designed to assess the language competence of candidates who need to study or work where English is the language of communication. In Canada, IELTS is used as a measure of English language proficiency for immigration, skilled worker applications, university entrance requirements, masters programs, and other professional designations. With over 2 million tests taken last year, IELTS is the world’s most popular English proficiency test for higher education and global migration, and sets the standard for integrity, research and innovation.

IELTS is jointly owned by British Council, IDP: IELTS Australia and Cambridge English Language Assessment.
